Počítání týdnů určuje od roku 1995 ČSN ISO 8601 takto:

- a) 1. týden roku určuje to, že obsahuje první pracovní den (po Novém roce, tj. 2. až 4. ledna);
- b) do té doby dobíhá 52. (nebo 53., např. 2012/2013) týden předešlého roku (jakoby nulový) v daném roce.
